Looking for some inspiration for some more custom text for the "Write About Your Story and Talk About This Fundraiser" check out our Facebook, Twitter or Instagram accounts for stories of children we have helped and/or tell your own story and let your friends, family and colleagues know why helping abused and neglected children is so important to you. You can also see stories and pictures to use to publicize your fundraiser [here](#).

And here's some statistics for those of you who are all about the stats:

- In 2018, we fulfilled 3,394 children's needs requests for a total of \$316,617.
- 91 cents of every dollar went toward children's needs programs and services
- 122 children are removed from their homes each month in Pinellas and Pasco Counties
- There are currently 3,087 children in care in Pasco and Pinellas Counties as of 4/23/19.

Here are some tips!

- To start the momentum – either make a personal donation or ask someone you know you can count on to give you a donation like your parent, your best friend or that person that you keep giving donations to their fundraisers 😊
- If you are using email – include a personal story about why you are supporting Guardian ad Litem Foundation of Tampa Bay or share a story of a child’s request that was compelling to you and the reason why. Feel free to reach out more than once – studies show it can take 7 to 13 “touches” before someone agrees to help – so don’t feel badly about reaching out more than once.
- If you are using social media, always use this hashtag #abusedchildrenneedsuperheroes
- Whether you are using email and/or social media always include a link to your personal page, but you don’t always have to ask for money – break up asks by giving shout outs to friends/family/colleagues who have given or letting folks know about your progress towards your personal goal -- tagging people can help your posts go farther and feel free to tag us too @GALF6 on Facebook, @herotoachild on Instagram and Twitter
- Feel free to get creative – make your own little videos about why you are raising funds for Guardian ad Litem Foundation of Tampa Bay, share pictures or stories about children that have been helped
- Make sure your social media posts are sharable so that your friends can help you fundraise, share the love and promote your participation in something you care about...

**ONCE YOU SIGN UP WE WILL SEND YOU POSTS, STORIES AND PICTURES  
VIA EMAIL TO HELP YOU FUNDRAISE!**
